STEP D YOUR GAMEDAY GUIDE

The best strategy is to keep it simple, encourage the children and lend a hand.
Keep it fun!

Its all about the kids

We encourage a positive environment for our members to play in. Set the standard for respect, courtesy, positivity and good behaviour.

Guide our young players to follow high sportsmanship standards. Keep barracking within acceptable limits and focus on the fun.

PARENT/CARER RESPONSIBILITIES

Our junior cricket program is built on community spirit. Below are the key responsibilities of carers and parents who have children participating in Casino Cricket Club.

Notify the coach as early as possible if your child will be unavailable for training or a game. Early notice allows the coach to adjust training plans and team selections.

Ensure your child arrives on time for training and games, fully dressed in their uniform and with all required equipment.

Encourage your child to be ready to participate with a positive attitude and respect for teammates, opposition players, coaches, and officials. And to have fun!

Remember they are kids playing for fun. Avoid disparaging comments, criticism, or any form of abuse towards players, coaches, umpires, or spectators.

Participate in your child's good behaviour and be prepared to set the example for language, courtesy, sportsmanship and respect.
