Our Club Objectives

CCC mission statement

- To foster the growth of cricket in our region through promoting Casino Cricket Club membership.
- To value and support the enjoyment and participation of all players regardless of their age, gender or ability.
- To pursue competitiveness and success at the highest level possible as the Casino Cricket Club.
- To make a positive contribution to our local community.

A New Club

With a rich history

Cricket has been played competitively in Casino for over 100 years. Through that time, many people have contributed to our game as volunteers, players and administrators. We thank them for their part in Casino Cricket's legacy.

Casino Cricket Club fields teams in the Northern Rivers Cricket League for both senior and junior competitions. Junior teams include a local Blasters Program with an introduction for young primary school children to cricket as well as U10s, U12s, U14s and U16s.

The senior competition includes 4th grade to 1st grade. Cricket is played across Lismore, Casino, Kyogle and Evans Head. Last year, Casino Cricket Club won the Club Championship Trophy for the senior Northern Rivers Cricket League. This was in recognition of combined team results across all grades and was a proud moment for our club in its inaugural year.

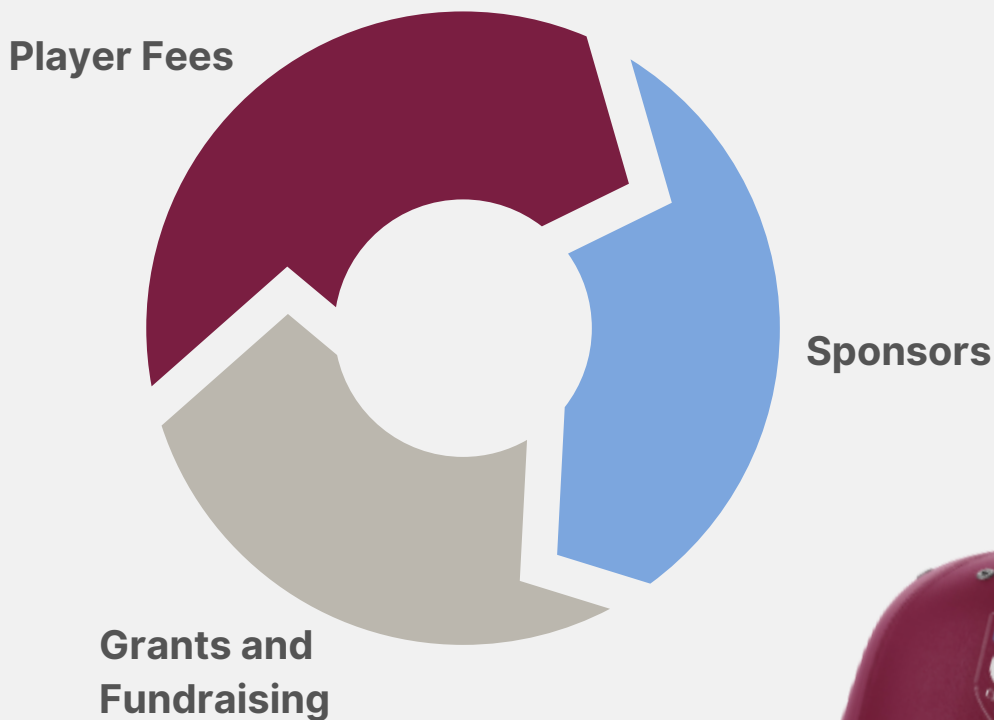

Funding

Casino Cricket Club funding model

Community sport needs sponsors

As a local sporting organisation we are focused on providing the vehicle for community involvement in cricket. This includes maintenance and replacement of our cricket assets to allow for a sustainable future for cricket and improved facilities for our community. In the modern environment, it takes considerable planning to finance a sporting club. Casino Cricket Club is committed to a healthy balance of player fees, sponsors, fundraising, and grant acquisitions. Your sponsorship plays an important part in our funding ecosystem.
